# FATHER'S DAY – 16<sup>th</sup> OF JUNE

# YOGA DAY – 21<sup>th</sup> OF JUNE

#### ★ Activity- Sprout something

Grow herbs and sprouts for cooking... or if you're adventurous, you could even try growing an indoor mushroom kit. Seeds from broccoli, spinach, lettuces, peas, and radishes can all be used as sprouts.

To sprout these seeds, you'll need a glass jar, an elastic, and some cheesecloth (or pantyhose). Add a tablespoon of seeds to the jar and cover with your breathable fabric. Twice a day rinse and drain your seeds (you can just add and drain right through the fabric). Then, once they're big enough to eat, throw them on salad or a sandwich. Yummy!
